MUHAMMAD RAYYAN

GRAPHICS & UI-UX DESIGNER

ABOUT ME

With 3+ years of experience, I am a Graphics & UI/UX Designer focused on creating clean visuals and user-friendly digital experiences. Skilled in Figma and Sketch, I design graphics and interfaces that balance aesthetics, usability, and consistency. I enjoy turning ideas into practical designs that improve user experience and visual appeal.

JOB EXPERIENCE

GRAPHICS & UI-UX DESIGNER

2022 - Present

Next Generation Circle / Peshawar.

Created and maintained UI standards across websites and collaborated with developers to implement features and ensure seamless design-development integration.

JR. GRAPHICS & UI-UX DESIGNER (HYBRID)

12/2023 - 02/2024

Tritech Solutions (Private) Limited / Peshawar.

Designed UI/UX for web and mobile applications, managed multiple projects remotely, and used tools like Figma & Adobe XD to create prototypes and high-fidelity designs.

GRAPHIC DESIGNER (FREELANCE)

2024 - 2025

SMEDA Regional Office KP / Peshawar.

Ensured print-optimized designs, delivered high-quality work under tight deadlines, incorporated client feedback for final approval, and supported printing coordination
